Notice of Registration of Jordan Production Facility on the National Gas Market Bulletin Board

The Australian Energy Market Operator (AEMO), as the Bulletin Board (BB) Operator is hereby giving notice that it has registered the Jordan Production Facility on the National Gas Market Bulletin Board, effective 13 March 2015.

Registration is based on the following information provided by QGC Pty Limited, operator (AEMO operator number 106) of the Woleebee Creek Production Facility.

- The facility will commence reporting its Actual Production and Capacity Outlook from 13 March 2015.
- The facility will produce gas into the Roma production hub (540027).

Based on this information, AEMO considers that the Jordan Production Facility should be registered as a BB facility. In accordance with sub rule 154(2)(c) of the National Gas Rules, AEMO has included the facility in the BB facilities list with effect from 13 March 2015.
