Link	<a href="https://www.aemo.com.au/-/media/Files/PDF/NMAS_Recovery_Reconciliation_File_v2.pdf">https://www.aemo.com.au/-/media/Files/PDF/NMAS_Recovery_Reconciliation_File_v2.pdf</a>		

Description of Document	The guide describes the contents of the Non Market Ancillary Services (NMAS) reconciliation file and the recovery methodology for testing payments.		
Precedent Procedures / External Document	N/A	Dependent Procedures / External Document	N/A
Summary of Changes – Five Minute Settlements	<ul style="list-style-type: none"> <li>Update terminology; document refers to half-hourly settlements data, update this to settlements data per trading interval</li> <li>Cosmetic changes to update the current document to the new AEMO external template</li> </ul>		
Summary of Potential Changes – Global Settlements	No changes have been identified.		
External Stakeholder Impacted	<i>Market Participant</i>	AEMO Business Units Impacted	Settlements
Issues for Stakeholder Consultation	<p>NMAS test payments are recovered based on all trading intervals between pre-defined start-date and end-date; the recovery is not based on usage per trading interval, rather it is usage aggregated over days.</p> <p>No impact to 5MS.</p>		
System Impact	No
