NMI 1:

NMI 2 (if applicable):

Facility Information

Rated generation capacity (MW):

Facility Address:

.....

Declaration**Undertaking and Declaration**

(To be signed by a Director or Company Secretary of your organisation)

On behalf of (Company or business name).....

I declare that (check all that apply):

- 1. Positive MWh quantities measured by the interval meter(s) associated with this generation system are not expected to exceed 5 MWh in any Trading Interval.
- 2. In the event of an outage of the generating system, negative MWh quantities measured by the interval meter(s) associated with this generation system are not expected to increase by more than 5 MWh in any Trading Interval.
- 3. The meter(s) measuring this generation system will remain registered by an existing Market Customer.
- 4. The information provided in this application, and any other information provided to support this application for an exemption to register as a Rule Participant, is complete and accurate.
- I will advise the WA AEMO immediately if any of the information provided in this application is likely to change
