- 3. Service Order Process..... 5

## 1. Customer and Site Details Process

Participant Name	Old Clause No	New Clause No	Comments

## 2. One Way Notification Process

Participant Name	Old Clause No	New Clause No	Comments

### 3. Service Order Process

Participant Name	Old Clause No	New Clause No	Comments
TasNetworks		2.16.3(b)(iv)	Typographical error - Space required between '2.14' and 'for' in 2 <sup>nd</sup> line
TasNetworks		2.17(e)	Typographical error – Reference to 2.16.1.1 should be 2.17.1.1
TasNetworks		2.17(f)	Typographical error – Reference to 2.16.1.1 should be 2.17.1.1
TasNetworks		Table 13 (page 36)	Typographical errors – De-Energisation subtypes: 1) Apostrophe prior to word <u>Disconnect</u> to be removed in 1 <sup>st</sup> subtype 2) 2 <sup>nd</sup> subtype of <u>Remove Fuse</u> is missing a bullet point
TasNetworks		Table 13 (page 42)	Co-ordinating Contact Name field.  The format of this field is that of PERSON NAME, however the definition details state that it is the contact name <u>or business name</u> .  As the Service Order Process defines the format as Person Name, TasNetworks suggest deleting the words 'or business name' and 'or entity' from the definition.
