1. Please provide your views on the Procedure Change Proposal, including any objections or suggested revisions:

LGP is a member of the Rules Development Implementation Working Group and the Power System Operating Procedures Working Group.

— LGP supports the Change Procedure Proposal in respect of the changes to both the Ancillary Services and Power System Security PSOPs.

2. Please provide an assessment whether the Procedure Change Proposal is consistent with the Market Objectives and the Wholesale Electricity Market Amending Rules.

LGP considers that the Change Proposal is in harmony with the Rule Change Proposal implementing the New Balancing Market and by extension all the Market Objectives.

3. Please indicate if the Procedure Change Proposal will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.

The proposal will not materially impact LGP.

4. Please indicate the time required for your organisation to implement the changes, should they be accepted as proposed.
