Dear Mr West,

Ausgrid is interested in trialling the following new light source for evaluation on our network with the aim of reducing energy consumption.

- "StreetLED Eco 18 Luminaire

To introduce this luminaire into the public street light network in NSW, the device load for the luminaire must be included in the AEMO load table. Please confirm that you will move to initiate the inclusion of this luminaire in the load table and advise when it has been published in the load table.

Yours sincerely,

A handwritten signature in blue ink that reads "Phil McKee". The signature is written in a cursive, flowing style.
