

# Notice of intention to commence contract negotiations - interim reliability reserves

In accordance with clauses 11.128 and 3.20 of the National Electricity Rules (NER), in May 2024 AEMO issued an invitation to tender for the purpose of procuring interim reliability reserves for Victoria and New South Wales.

AEMO has determined that it is necessary to commence contract negotiations for the provision of additional reserves under clause 3.20 of the NER which are interim reliability reserves.

AEMO intends to commence contract negotiations for the provision of interim reliability reserves in New South Wales for the period commencing 1 December 2024 and ending 31 March 2025.

In accordance with clauses 3.20.3(d) and 11.128.4(d) of the NER, AEMO will consult with and obtain approval from the nominated person for New South Wales with respect to the total capacity to be contracted, prior to entering into interim reliability reserve contracts.

This notice is given under clauses 3.20.3(c) and 11.128.4(c) of the NER.
