

Notice of intention to commence contract negotiations - interim reliability reserves

In accordance with clauses 11.128 and 3.20 of the National Electricity Rules (NER), on 1 September 2023 AEMO issued an invitation to tender for the purpose of procuring interim reliability reserves for South Australia and Victoria.

AEMO has determined that it is necessary to commence contract negotiations for the provision of additional reserves under clause 3.20 of the NER which are interim reliability reserves.

AEMO intends to commence contract negotiations for the provision of interim reliability reserves for the period commencing 1 December 2023 and ending 31 March 2024.

In accordance with clauses 3.20.3(d) and 11.128.4(d) of the NER, AEMO will consult with and obtain approval from the respective nominated persons for South Australia and Victoria with respect to the total capacity to be contracted, prior to entering into interim reliability reserve contracts.

This notice is given under clauses 3.20.3(c) and 11.128.4(c) of the NER.
