## Modified Load Export Charges for 2024–25

From 1 July 2015, Co-ordinating Network Service Providers are required to levy a modified load export charge (MLEC) to recover from neighbouring regions the costs associated with the use of assets considered to support inter-regional flows.

AEMO is the Co-ordinating Network Service Provider for Victoria and is required to publish details of all MLECs<sup>1</sup> to apply for the following financial year under clause 6A.24.2(b) of the National Electricity Rules (NER) in accordance with the Pricing Methodology Guidelines published by the Australian Energy Regulator<sup>2</sup>.

AEMO has calculated the MLEC to apply from 1 July 2024 to 30 June 2025 in respect of energy exported from Victoria in accordance with clause 6A.29A.2 of the NER as detailed in Table 1.

Table 1 MLEC for 2024–25 Financial Year

Paying Transmission Network Service Provider	MLEC (\$) (GST exclusive)
