Dear Mr Davies

**Formal request for the Gerard Lighting Group to proceed with AEMO load table application**

Energex would like the option of using the Nostalgia LED Modular lamp range on their network for areas where Nostalgia LEDs are required. We, therefore, are requesting the Gerard Lighting Group submit the appropriate data to AEMO to enable the following lamps to be added to their load tables:

- 1) Modular LED 17W
- 2) Modular LED 21W
- 3) Modular LED 25W
- 4) Modular LED 30W

Please proceed with this application at your earliest convenience as this matter is urgent and please keep me up to date with progress on the application.

If you have any queries or require any further information then please contact myself on 3664 4797.

Yours sincerely
