Dear David,

## Application – Schreder PIANO Luminaire for AEMO

Schreder Australia Pty Ltd is the supplier of PIANO luminaires in Australia. We kindly request that the Schreder LED luminaires, PIANO, be evaluated and given approval for the inclusion to the National Electricity Market Load Tables for Unmetered Loads. They have been requested and approved as the light sources for use on SA roads.

The test was undertaken without PE cell.

The Schreder PIANO luminaire has internal identification label and external marking as per SA/SNZ TS 1158.6.

The units are high performance luminaires and suitable for 'Category P' and 'Category V' applications. The LED luminaires are available with various LED quantity and wattage options and the LED driver has a total power consumption as listed in below Table.

Company	Product Description	Nominal Load Values (W)	Test Report
Schreder Australia Pty Ltd	PIANO MINI 16 LED 700mA	38	IANZ_LR1002 - PIANO Load Report v2
	PIANO MIDI 56 LED 700mA	123	
	PIANO MAXI 88 LED 700mA	208	

Our submission is supported by the following documents.

1. Supporting Letter for the luminaire installation
2. IANZ Laboratory Test Report
3. Product technical sheet

We trust this submission meets with your approval requirements. Please don't hesitate to contact me for further support.

Thank you for your consideration, and we look forward to your feedback.

Kind regards,

**Roy Totino**  
Finance Manager
