BRENDALE QLD 4500

Dear Mr Brett,

Brisbane City Council wishes to install IP55 Greendale – Flat Asymmetrical LED luminaires for use of street lighting and intended for use on Council's Rate 3 (un-metered) Public Lighting Network.

The luminaire we plan to install is: -

- Lightscope Post Top Luminaire LS1200-020-16LED

Please confirm that these luminaires meet the requirements to be included on the National Electricity Market load tables for unmetered connection points and Lightscope will submit all the necessary requirements to the Regulator to enable this to occur.

For enquiries in relation to this matter please contact City Lighting on 07 302 74491

Yours sincerely,

Majdi Hawari
