Dear Mr Hoppe

Letter of Support - We-ef luminare inclusion on the National Load Table

Sunshine Coast Council supports We-ef, in their application to include the PFL240 LED Luminaire on the National Load Table.

Council proposes to utilise the 144w 48 LED PPFL240/VFL540 LED luminare for future council projects.

Council supports the inclusion of the above product on the National Electricity Market (NEM) load table through the Australian Energy Market Operator (AEMO) for use in projects in the Sunshine Coast area.

Yours sincerely
