Dear David,

Re: Submission to include the Louis Poulsen Orbiter Mini LED and Orbiter Maxi LED Post Top Luminaires in the National Electricity Market Load Tables for Unmetered Connection Points.

We request that approval be given for the inclusion of the Orbiter (Albertslund) Mini LED Post Top Luminaire and Orbiter (Albertslund) Maxi LED to the NEM Load Table. Requested wattages are; 34.3w and 56w respectively.

The following documentation is presented in support of our submission;

1. Letter of Market support from the City of Adelaide.
2. Specification Sheets and Performance Specifications.
3. Test Reports; 50218968 001 & 50296929 001 – Power Consumption measurement at rated voltage along with the Louis Poulsen Data Logs for additional data.

We thank you for your consideration in including these Louis Poulsen Orbiter Mini & Maxi Mk II LED Post Top luminaires on the NEM Load tables.

Yours sincerely,

Terry Cook – General Manager
