Dear Terry

Submission of Louis Poulsen Albertslund Maxi LED's for inclusion on the National Load Table (AEMO).

The City of Adelaide would like to install Louis Poulsen Albertslund Maxi LED to a Council unmetered public lighting circuit.

For City of Adelaide to connect this luminaire to an unmetred arrangement, we understand that they will need to be included on the National Electricity Market (NEM) load table through the Australian Energy market Operators (AEMO).

The City of Adelaide supports Pecan Lighting's action to include the following luminaire on the national load table :

- Louis Poulsen Albertslund Maxi LED 55W Post Top luminaire
- Louis Poulsen Albertslund Mini LED 34W Post Top luminaire
