Dear Mr Ripper

Letter of support for AEC luminaire onto the National Load Table

The City of Port Adelaide Enfield has the intention to agree to the installation of the AEC Italo LED luminaire on a range of projects within the vicinity of City of Port Adelaide Enfield.

Council requests that the following products are included in the National Electricity Market (NEM) load table through the Australian Energy Market Operator (AEMO).

- Italo 1 0F6 OP-SX-2M
- Italo 1 0F6 OP-DX-2M

If you need any further support, clarification in relation to this matter please do not hesitate to contact me.

Yours Sincerely,

Jason Tamas
