**Submission to include the WE-EF Lighting VFL520 12 LED 12W Luminaires into the National Electricity Market Load Table**

Dear David,

WE-EF Lighting request that the WE-EF luminaire VFL520 12 LED 12W be granted approval for inclusion to the National Market Load Table.

The total power consumption is listed in Table 1.

<b>Product Description</b>	<b>Total Power Consumption [Watts]</b>	<b>Test Report No.</b>
VFL520 12 LED 12W	15.12 W	AU227MQ4 001

Included in our application are following documents for your consideration:

- Letter of Support from the City of Salisbury
- TUV Rheinland (NATA accredited) test report AU227MQ4 001 for the wattage of the luminaire
- Data Sheet for the product family

The VFL520 LED Luminaire family specifically designed for use in both Australia and New Zealand markets and complies to relevant standards and specifications as outlined in AS/NZ 1158.6:2015. All marking and labelling as per AS/NZS 1158.

We trust the application meets approval requirements. However, should there be any queries or if you require any further information, please do not hesitate to contact us.

Kind regards,

Stefan Kisser  
Technical Leader
