WEM Prepayment Direction Form

The Market Participant confirms that the payment of the Prepayment Amount is for the purposes of:

- Reducing the Market Participant's Outstanding Amount, and thereby increasing its Trading Margin, on each day from the first Trading Day on which the Outstanding Amount is calculated after AEMO receives the Prepayment Amount until the Trading Day on which the Prepayment Amount is fully applied towards amounts payable by the Market Participant to AEMO; and
- Being applied to amounts payable by the Market Participant to AEMO as specified in the Invoice for the next STEM Settlement Statement or Non-STEM Settlement Statement (as applicable).

The Market Participant irrevocably directs AEMO to apply the Prepayment Amount towards amounts payable by the Market Participant to AEMO, as specified in the Invoice for the next STEM Settlement Statement or Non-STEM Settlement Statement (as applicable); and, to the extent there is a residual amount, as specified in subsequent Invoices for STEM Settlement Statements or Non-STEM Settlement Statements.

The Market Participant acknowledges and agrees that any interest that accrues on the Prepayment Amount will not be for the benefit of the Market Participant.

The Market Participant confirms and certifies that this Prepayment Direction is provided by an authorised representative of the Market Participant.
