

AMDQ CC Auction Completion Notice 2020

02 June 2020

In accordance with the NGR rule 329G, AEMO has completed the auction of AMDQ credit certificates (AMDQ CC) for the Victorian Declared Wholesale Gas Market (DWGM).

Market Participants submitted bids for an allocation using the Bid form published on AEMO's website. There were four submissions from Market Participants.

Provisional allocations have been made and the letters have been sent to the successful bidders advising their AMDQ CC allocation. The effective period of the AMDQ CC allocation will be from 2 January 2021 (subjected to criteria in the Wholesale Market AMDQ Procedures being met) to 31 December 2022 (inclusive).

The provisional allocations are as follows:

Close Proximity Injection Point	Available Quantity (GJ)	Allocated Quantity (GJ)	Remaining Quantity (GJ)	Clearing Price (\$/GJ)	Total (\$)
Culcairn	10,000	10,000	0	8.43	84,300

The proceeds from the AMDQ CC Auction will be used to offset AEMO's costs of operating the DWGM.
