

Notification of Scheduled Maintenance Information – QGC Update

The information is supplied pursuant to ACCC Authorisation Nos A91516 & A91517. QGC provides the Maintenance Information on the basis that the information:

- Is provided in good faith and is published as a condition of the Authorisation granted by the ACCC; and
- Is based on QGC's reasonable expectation and is subject to change.

| Facility | Expected Dates | Scope of Train Shutdown |
|-----------------|--------------------------------|--|
| QCLNG | 15 March 2021 to 16 March 2021 | One half of a train or greater, but not greater than one LNG train |

These dates amend and replace the dates published on the Bulletin Board on 20 January 2021.
