

Notification of Scheduled Maintenance Information – QGC Update

The information is supplied pursuant to ACCC Authorisation Nos A91516 & A91517. QGC provides the Maintenance Information on the basis that the information:

- Is provided in good faith and is published as a condition of the Authorisation granted by the ACCC; and
- Is based on QGC's reasonable expectation and is subject to change.

Facility	Expected Dates	Scope of Train Shutdown
QCLNG	15 th June 2021 to 9 th July 2021	Greater than one half of a Train, but not greater than one LNG train

These dates amend and replace the dates published on the Bulletin Board on 18 November 2020.
