

Notification of Scheduled Maintenance Information – QGC Update

The information is supplied pursuant to ACCC Authorisation Nos A91516 & A91517. QGC provides the Maintenance Information on the basis that the information:

- Is provided in good faith and is published as a condition of the Authorisation granted by the ACCC; and
- Is based on QGC's reasonable expectation and is subject to change.

Facility	Expected Dates	Scope of Train Shutdown
QCLNG	15 th June 2021 to 13 th July 2021	Greater than one half of a Train, but not greater than one LNG train

These dates amend and replace the dates published on the Bulletin Board on 17 December 2020.
