Dear James

Re: MOS ALLOCATION SERVICE COSTS ESTIMATE FOR FINANCIAL YEAR 2023

In accordance with Clause 424 of the National Gas Rules, SEA Gas wishes to advise that our estimate for on-going MOS cost for the Financial Year (FY) 2023 is \$25,000 (\$2022).

Subject to any new requirement that requires further spend or analysis on MOS, the FY 2023 estimate for the MOS Allocation Service Cost reflects internal labour and IT costs to maintain the service required.

Yours sincerely

A handwritten signature in blue ink, appearing to read "Paul Frederick".
