Dear Mr Fitcher

Draft Report and Determination: Structure of Participant Fees in AEMO's Electricity Full Retail Competition Market

Energy Queensland Limited (Energy Queensland), representing Queensland Distribution Network Service Providers Energex Limited and Ergon Energy Corporation Limited, welcomes the opportunity to provide a submission to the Australian Energy Market Operator (AEMO) on its draft report and determination relating to the structure of participant fees in AEMO's electricity full retail competition (FRC) market.

Section 4.2 of the draft report addresses which registered participants should pay FRC electricity market fees. Energy Queensland supports AEMO's draft position on this matter which proposes that Electricity FRC Market Fees continue to be levied 100% on Market Customers with a retail licence.

If you require anything further in relation to this submission, please do not hesitate to contact Sarah Luinys, Regulatory Reporting Analyst on (07) 3664 5002.

Yours Sincerely
