

29 January 2021

Notice to all Registered Participants under the National Gas Rules (NGR)

This notice is to advise Participants on AEMO's decision to approve amendments to the:

- STTM Procedures
- STTM Interface Protocol

This notice advises Gas Market Registered Participants that consultation under the ordinary Procedure change consultative process prescribed under Rule 135EE of the NGR concluded on 4 January 2021 for the consultation to:

- Implement minor changes to STTM reports

Prior to commencing the ordinary consultation process, this proposal was considered by the Gas Wholesale Consultative Forum (GWCF) in accordance with the Approved Process under Rule 135EC of the NGR.

As required under Rule 135EE of the NGR, Gas Market Registered Participants and other interested parties were invited to submit comments to AEMO on the Impact and Implementation Report (IIR).

There were no submissions on the IIR.

Having considered this proposal and the issues raised in the consultation, AEMO has decided to amend the proposed STTM Procedures and STTM Interface Protocol in line with the changes-marked procedures published with this notice. There are no changes between these procedures and the procedures proposed as part of the IIR. The effective date for these amendments is 1 March 2021.

Updated versions of the STTM Procedures and STTM Interface Protocol will be published on AEMO's website prior to the effective date.
