- 4. Questions..... 6

## 1. Service Order Process

Participant Name	Old Clause No	New Clause No	Comments
		2.16.5.b	<p>For the avoidance of any confusion, this clause should be made clearer that the supply abolishment service order must only be raised when the initiator has confirmed that the service line/cable has been removed and also the distributor will not perform any site visit.</p> <p>We suggest that this clause be updated to:</p> <p>In NSW, the DNSP is requested to make the NMI extinct in MSATS as the service line / cable has been confirmed by the Initiator to be already removed. Note that the DNSP will not perform a site visit.</p>

## 2. One Way Notification Process

Participant Name	Old Clause No	New Clause No	Comments
		2.1.1.b (clean version document)	Formatting error: this clause should be labelled as (a) instead of (b)

### 3. Technical Delivery Specification

Participant Name	Old Clause No	New Clause No	Comments

## 4. Questions

Do you have a preference between using the PIN and/or the MFIN One Way Notifications to notify participants of meter exchange dates? If so, which is your preference and why?

Endeavour Energy does not perform meter exchanges, therefore this is not applicable to us
