## 1. Context

This template is to assist stakeholders in giving feedback about the options detailed in the issues paper associated with the Standalone Power Systems Retail Procedures Error Corrections expedited consultation.

The changes being proposed are because of NER rule changes which have occurred requiring changes to AEMO's Retail Electricity Market Procedures.

## 2. Questions

Question	Participant Comments
Do you agree that the MDM Procedure should be amended to include the new report (RM51)?	AGL supports the change
Do you agree that the descriptions for the RM43 and RM46 should be updated in the MDM Procedure?	AGL supports the change, and notes that the report header – ‘Report Outputs’ should be made bold/underline.
Do you agree with the proposal to amend the version of the MP SLP to 1.6?	AGL supports the change.
Do you agree with the proposal to amend the MDP SLP to reflect the preferred option to resolve the conversion of non-5-minute metering data as set out in the AEMO Final Report?	AGL supports the correction
