## 7 General questions and other business

Raised By	Issue Raised	Response
Rowen Rogers – Windlab	<b>Cyber/SOCI domain</b> – Will the EWCF be involved in the Cyber/SOCI domain at all.	AEMO will take this on notice and provide an update to EWCF once more information is gathered.
Chris Murphy – Telstra Energy	<b>Summary of key changes to scope and timelines</b> – Is there an opportunity for a creation of a record of key changes to scope and timelines to better assist participants in keeping track across the program.	AEMO will discuss this suggestion to their project team and provide an update to the EWCF.
