## 1. Welcome and Previous meeting minutes

Teresa Smit (AEMO) opened the meeting at 1.02 pm; the minutes from the previous WAECF (24 August 2022) were endorsed. AEMO to publish the minutes as final on the <u>website</u> (Action Item 1.1).

# 2. AEMO Operational Updates

## 2.1. Power System Update

Michael Dalton (AEMO) presented a power system update with a focus on summer readiness, discussing how AEMO is managing outages, balancing supply and demand, summer outlook with Supplementary Reserve Capacity (SRC) considered and lack of Reserve (LOR) notices.

Questions and feedback to be directed to <u>wa.sm.operations@aemo.com.au</u>

#### 2.2. Reserve Capacity update

Neetika Kapani (AEMO) presented an update on Reserve Capacity activities noting:

- The Reserve Capacity (RC) testing process for the 2022-23 capacity year has commenced.
- The Certified Reserve Capacity (CRC) window for the 2022 RC cycle is open until 14 February 2023
- The CRC WEM Procedure consultation period closes on 9 December 2022.
- The 2023 RC timetable has been published on AEMO's website.

Manus Higgins (AEMO) provided an update on the Supplementary Reserve capacity (SRC) process, noting; the SRC process activated first time since 2006, where a potential shortfall of 174 MW was identified for the 2022-23 Capacity Year. Following a tender process AEMO has received more than 200 MW of potential reserve capacity proposals for the period (1 December 2022 to 1 April 2023).

Questions and feedback can be directed to wa.capacity@aemo.com.au

## 3. AEMO Project Update

## 3.1. WEM Reform update

Andrew Smith (AEMO) provided a WEM Reform program status update, noting that following a full program review, AEMO has increased confidence in achieving the 1 October 2023 go live date. Whilst scope and schedule have been resolved, additional funding is expected to be required and the Program status will remain as red until budget is resolved.

More information and any feedback can be provided to WA.ETS@aemo.com.au

#### 3.2. WA DER Roadmap Update

Tom Butler (AEMO) provided an update on the WA DER roadmap. The next DER market participation forum is scheduled for 13 December 2022.

More information and any feedback can be provided to <u>WADERProgram@aemo.com.au</u> All DER previous presentations can be found on AEMO's <u>website</u>.

## 4. 2022: A year in review

Danielle Bestall and Erika Canuti (AEMO) presented a 2022 review which covered Operations, analytics and insights including record demand days, fuel mix, load variability, forecast price variability, WEM registrations and WEM Systems releases.

Sonia Ingwersen (AEMO) presented the WA Prudentials and Settlements, noting the values of WEM Markets, reduced credit limit requirements and disaggregated adjustment invoices.

Mike Hales (AEMO) presented a review from WA Market development, noting 2022 activities and what's coming up in 2023.

Bindi Shah (AEMO) presented on Reserve Capacity (RC) activities noting the 2022 RC Cycle deferral, highlights from the 2022 WEM Electricity Statement of Opportunities (ESOO) (2024-25 capacity year), supplementary RC, 2023 WEM ESOO activities and RCM WWMS releases.

Some feedback was provided by stakeholders that the black writing on the purple of the WEM Dashboard is hard to read.

AEMO has noted this feedback for future release of the data dashboard. Any other feedback or requests can be sent to <u>wa.operations@aemo.com.au</u>

# 5. Overview and look ahead to 2023

Kate Ryan (AEMO) provided a look ahead into 2023 and noted a few key areas of focus, including

- Operationalising the procured Supplementary Reserve Capacity
- NCESS for reliability for 2024/2025
- GSOO and ESOO publications
- Challenges for networks and generators as changes on the power system as it transitions.

• Project symphony to ramp up testing for all scenarios and close out findings to enable DER aggregators to participate I the WEM.

• An AR6 in-period capex submission is scheduled in April 2023, followed by a combined capex/opex submission in late 2023/ early 2024.

• New Market commencement date of 1 October 2023 and all activities leading up to this date including the commencement of market trials and inclusion of NAQ framework in RCM in April 2023.

#### 6. Other Business

No other business was raised

#### 7. Next Meeting

Teresa Smit (AEMO) informed participants that the date for the next WAECF is scheduled for 22 February 2022. The meeting was closed at 2:34 pm.

Disclaimer - This document provides an overview of the main points of discussion at an industry forum convened by AEMO on 7 December 2022 to provide information and invite perspectives and feedback on matters relating to WA Electricity Consultative Forum (WAECF). Readers, please note that:

- This document is a summary only and is not a complete record of discussion at the forum.
- For presentation purposes, some points have been grouped together by theme and do not necessarily appear in the order they were discussed.
- The views expressed at the forum and reflected here are not necessarily those of AEMO.
